

Remarks

This is in response to the Restriction/Election Requirement issued November 19, 2008 in the above-identified patent application.

Claims 1-52 were pending as originally filed in the subject application. The instant Action deems the application as containing claims directed to more than one species of the generic invention. The species are indicated as:

A pharmaceutical dosage form comprising a score, and

A pharmaceutical dosage form lacking a score.

Applicants hereby elect, without traverse, the species of: a pharmaceutical dosage form comprising a score.

The claims readable on the elected species are Claims 1, 8, 13, 14, 17, 26, 32, and 45-50.

Substantive examination of the elected species claims is respectfully requested.

Applicants invite the Examiner to contact the undersigned at the address and/or phone number provided below if clarification or additional information is needed on any of these matters.

Respectfully submitted,

Dated: December 19, 2008
